One symbol of the resurrection (because it's kinda like Jesus') is the cocoon. A caterpillar weaves the cocoon only to emerge as a beautiful butterfly!

## John 20

On the third day after Jesus had died, Mary Magdalene went to the tomb and found that it was open. And it was empty! Jesus wasn't there! Mary stood by the tomb and cried and cried.

Jesus tapped her on the shoulder, but she thought he was the gardener. "They took away my friend and I don't know where he is!" she sobbed. "Tell me where they moved him."

"Mary," Jesus said, and her eyes flew open.

"JESUS! You're alive!" She hugged him so, so tightly.

Jesus smiled. "Go and tell the others I'm alive and that soon I will come and see them."

Mary did just that, laughing and singing and skipping for joy all the way back.
